

EAST KOOTENAY CHAMBER OF MINES

PRESENTS

FOSSILS

WITH GUY SANTUCCI

Guy has been researching and digging fossils locally for many years. He has worked with Paleologists from the Royal Ontario Museum and Royal BC Museum. This presentation brings Guy and his fossil collection into the classroom to teach kids about fossils. Students are encouraged to ask questions and will spend time engaged with the fossil specimens.

These presentations are suitable for grades 3 to 6. It is recommended teachers set aside approximately 1 hour.
